

Coaxial Fixed Attenuator

The GigaLane **Coaxial Fixed Attenuator, GLAT-C series** have excellent electrical performance from DC to 3 GHz. They are available with attenuation values with 1~10 dB, 15, 20 and 30 dB.

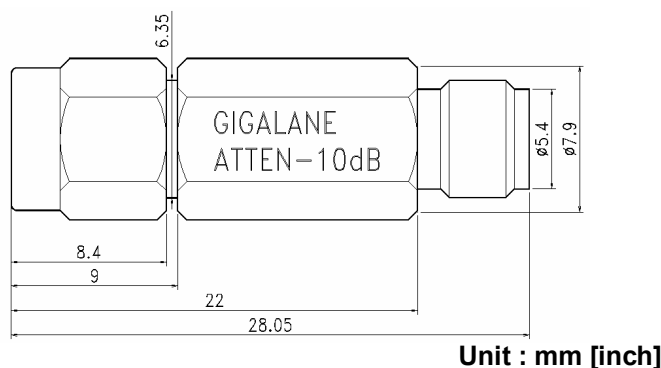

- DC to 3 GHz
- Low VSWR : < 1.2
- SMA Type
- Hex Body

Specifications

Model	GLAT-C
Freq. Range	DC to 3 GHz
Attenuation Accuracy	± 0.5 dB
VSWR	1.2
RF Power	2 W (Average)
Impedance	50 Ohm
Temperature Range	-55°C ~+125°C
Material Body	Brass with Gold plated
Contact	Beryllium Copper with Gold plated
Attenuation Value	1~10 dB, 15, 20, 30 dB
Weight	6.6 g
